

SAVE THE DATE for a **JANUARY 2012** webinar series on:
Diagnosis and Assessment of Autism Spectrum Disorders (ASD)

January 12, 2012 - Autism Spectrum Disorders: Screening and Early Identification

Webinar outlines ASD, including core symptoms, current DSM-IV criteria, prevalence, and course of onset.

January 19, 2012 - The Nuts & Bolts of Diagnosing ASD in Young Children

Webinar focuses on how a diagnosis of autism is made in clinical and research practices.

~January 12th and 19th webinars presented by **Jessica Greenson, PhD**~

January 26, 2012 - Assessment

Webinar looks at core deficits of autism in relation to major curricular areas of concern for people with ASD.

February 2, 2012 - Linking Assessment to Intervention

Webinar will focus on research-based interventions used with individuals with ASD.

~January 26th and February 2nd webinars presented by **Casi Olson, M.A.**~

Jessica Greenson is the Associate Director of the Early Steps Study & UW ACE Pathways Project at the University of Washington Autism Center/Center for Human Development and Disabilities.

Casi Olson is the Team Leader of Early Steps Intervention Project,
University of Washington Autism Center.

***Pre-register at <http://itcnew.idahotc.com/webinars/upcoming-webinars.aspx>**

*Pre-registration does not guarantee a spot but allows you to receive reminders about the webinars. Attendance is first come, first served so it is important to log on to each live webinar before it begins.

WEBINARS are FREE and AIR LIVE: 4:00pm - 6:00pm MST 3:00pm - 5:00pm PST

Professional Development Credit through the University of Idaho is available:

The UI Registration form will be posted prior to the start of the webinar series at:

<http://lms.idahotc.com/>

PLEASE NOTE: Professional Development registration is a separate step from pre-registering for each webinar.

WHO SHOULD PARTICIPATE?

Teachers, Paraprofessionals, Service Providers, School Administrators, and Parents
